MEMORANDUM FOR: Chief, Intelligence Liaison Support Staff  
SUBJECT : Progress Report on the ORD History

1. The background material for the ORD history has been assembled. Rough drafts have been received from the divisions, and the first draft of the history should be completed by the middle of April. The writing of the monograph will begin during this period. We expect to meet the 1 October 1967 deadline.

2. We would have been further along on this except for ORD's heavy involvement in the program call. We felt this took priority over the history writing exercise.
